

## Bringing the Conservative Message to America

Updated July 1, 2018

As the First Amendment states: “Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances”. We have and will continue to exercise that right with our exclusive content including commentaries and editorials.

GOPUSA strives to educate, enlighten, and engage conservatives through a host of features and services including news, online discussions, commentary, and information.

We strive to be the first source Republicans and conservatives turn to for news and information, both at the state and national levels.

All content, products, and services delivered by GOPUSA reflect our dedication to professionalism, quality, and innovation.

Keep up to date on the latest news, political information, and commentary!

A subscription to GOPUSA is free; you will receive our daily email magazine, The Eagle, delivered straight to your inbox. The Eagle is the perfect way to start your morning with cutting edge commentary, the latest political scoop, and engaging discussions.

In the afternoons, GOPUSA sends out the Midday Report, a brief email with breaking news and insights. Just click on a link and get the latest information as its happening.

GOPUSA supports itself by sending advertising emails to its subscribers. Your email address NEVER leaves GOPUSA. It's never sold or rented.
